

International HundredK+
Cohorts Consortium

Strategic Plan

VISION

A global community of cohorts working together to advance science and improve health for all.

MISSION

To forge cohort connections that revolutionize population health science by providing sustainable data infrastructure, cultivating a collaborative research environment, and promoting policies and best practices that foster connectivity, interoperability, and reciprocity.

Our Values and Guiding Principles (IIDEA)

We are
INTENTIONAL

We have
INTEGRITY

We embrace
DIVERSITY

We strive for
EQUITY

We act with
AUDACITY

Strategic Directions

In the next 3 to 5 years, we will focus our efforts to...

Demonstrate that
IHCC Generates
Impactful Science

Enable Discovery
and Connectivity of
Cohorts for
Collaboration

Make it Possible for
All Cohorts to
Contribute to IHCC
Scientific Challenges

Build a Strong
Governance and
Operational
Foundation
